

Weymouth Food Pantry.

I wanted to let you know, how much my family and I appreciate all of your help and assistance throughout the year. Especially during the holidays.

Without your help I'm not sure, how I would have fed my household. Every time I open my cupboards, I thank you. Every time I surprise my family with an interesting and healthy meal, I smile and quietly thank God for your support.

I was even able to make a few baking goods as gifts. That made me feel good inside. For passing on the gift of love. It made me feel good & normal being able to offer family members a gift at Christmas time not to mention these gifts always smell yummy.

Every time I cook & reach for any item from my cabinets that came from the Pantry, I stop & thank you and GOD for such a loving and helping hand.

Thank You
GOD Bless.
Sincerely,
